

# Ora Connect

## Why Ora Connect?

At Ora, we believe that children deserve great rehabilitation outcomes, no matter the challenges their families may face in their rehabilitation journey.

Our mobile app, Ora Connect, is designed to help families with rehab with workouts, progress tracking, sharing, and much more!

## Download now!

## Train with workouts

- Access a wide library of exercises
- Record & review exercise data
- Save photos & videos

## Organize your daily routine

- Schedule workouts & appointments
- Assign other family members
- Get regular notifications

## Share with others

- Unlock fun badges and streaks
- View & share your physical progress
- Invite family members to collaborate
